QuickTrav CarHire

Features

QuickTrav CarHire keeps track of voucher ranges within a detailed register. Easy search functionality makes finding ranges a breeze.

The screenshot shows a software window titled "View ranges" with a standard Windows-style title bar (minimize, maximize, close buttons). Below the title bar is a toolbar with icons for file operations and search. The main area contains a table with 3 items. The table has the following columns: Code, Type, Description, Supplier, Client, Range Start, and Range End. The data rows are:

Code	Type	Description	Supplier	Client	Range Start	Range End
002	Billback	Billback Voucher	Avis Car Rental	Sponge Bob's Clean	11111111	11111120
002	Referral	Referral	Budget Car Rental	Sponge Bob's Clean	20	29
01	Billback	Quicktrav Testing	Avis Car Rental	Sponge Bob's Clean	01	10

At the bottom of the window, there are buttons for "New", "Open", "Copy", "Search", and "Close".
